*If disturbance is over one (1) acre or part of a larger development, a Notice of Intent must be filed with the State of Tennessee. An NPDES permit number from the Notice of Coverage (NOC) must be provided before a Land Disturbance Permit can be issued. Cookeville Environmental Field Office Phone No. 931-432-4015

Have you already submitted an application to TDEC? Yes No N/A

Where applicable, work shall also conform to the requirements for construction completed near or in a stream potentially affected by the project set forth in the Aquatic Resource Alteration Permit (ARAP) as issued by TDEC.

Have you already applied for an ARAP from TDEC? Yes No N/A

Every land disturbance permit shall expire within one year of issuance. Extensions may be requested.

I agree that I will comply with the City of Crossville's Stormwater Ordinance, as listed in Title 14, Chapter 8 of the Crossville Municipal Code, laws pertaining to grading and land disturbance activities and all approved City Policies. All erosion and sediment control measures shall be installed prior to commencement of grading, stockpiling, or other land disturbance activity. All control measures shall be kept in proper working order until construction is complete and the site is permanently stabilized. Permission is expressly granted to City Personnel to enter upon the premises for site inspection.
