Stormwater Policy

Requirements to Obtain a Land Disturbance Permit

If disturbance is less than one (1) acre, the following information shall be provided to the City in order to obtain a land disturbance permit:

1. Project description, including road name(s)
2. Site map (min. 8-1/2" x 11")
3. Location of nearest stream
4. Limits of proposed clearing, disturbance, and filling
5. Proposed erosion prevention and sediment control plan for the site
6. Construction entrance location(s)
7. Structure location(s)
8. Culvert location(s)
9. Construction buffer location(s)

If disturbance is greater than one (1) acre or is part of a larger development, the following information shall be submitted to the City in order to obtain a land disturbance permit:

1. Project description, including road name(s)
2. Site map (min. 8-1/2" x 11")
3. Location of nearest stream
4. Limits of proposed clearing, disturbance, and filling
5. Proposed erosion prevention and sediment control plan for the site
6. Construction entrance location(s)
7. Structure location(s)
8. Culvert location(s)
9. Construction buffer location(s)
10. Hard copy and digital as-built plans, utilizing the Tennessee State Plane coordinate system in the North American Datum 1983 (NAD83)
